

# The TXOL Crossbuck

Keeping it on the track!

## OLAV Reporting

Texas Operation Lifesaver is a volunteer-driven organization. We rely on our volunteers to spread the word about railroad safety education in Texas and we could not reach our goals without your help!

It is important to log all presentations, booths, and activities performed for TXOL in a timely manner. Please login to your volunteer portal at [oli.org](http://oli.org) to complete a volunteer presentation/hours report when you complete activities for TXOL.

Also, be sure to visit [oli.org](http://oli.org) for up-to-date educational materials for every age group, and information about upcoming events

## Don't forget!

You are eligible for an incentive award after 10, 30, and 50 presentations. New Items have been added to the Incentive prizes, so don't wait to log your presentations!

August 2018

## Rail Safety Week 2018!

The theme for Rail Safety Week 2018 will be:

Stop Track Tragedies

We will be celebrating  
Rail Safety week  
September 23-29, 2018

As part of the Rail Safety week activities happening throughout the State, there is an opportunity for law enforcement to participate in Operation Clear Track in their communities. If you are aware of any law enforcement offices who are interested, please direct them to the link here to sign up! [Operation Clear Track Sign Up Form](#)

Operation Lifesaver is excited to announce that we are celebrating Rail Safety Week in conjunction with Canada to make it an international campaign. Stay tuned to the Facebook, Twitter, and Instagram pages and remember to "Like" and "Share" posts!

**During Rail Safety Week Operation Lifesaver will be premiering new Public Service Announcements featuring the Emergency Notification System Signs at rail crossings. Keep an eye out!**
